Digital Tickets - Important information

In 2024 all Brisbane Lions home matches at the GABBA are fully digital – you can access your ticket in the palm of your hand via the Ticketmaster app or your mobile browser.

Please note that barcodes are activated 72 hours before each match.

Tickets are strictly digital and screenshots will not work.

You can keep more than one ticket on your mobile phone which is recommended if you have children with you or a member of your group has difficulty with using technology.

Covid-Safe Plan

In the interests of public safety, the Queensland Government may at times implement a number of increased safety measures including reduced group sizes, social distancing and increased hygiene practices, to bolster the already strict operational procedures of the GABBA.

All corporate tickets at the GABBA are digital and will be transferred to the booking contact.

Please be aware that changes in Government Health advice may impact on the AFL season. If any match you book with The Golden Ticket is cancelled, rescheduled or is played without crowds then you are entitled to a full refund.

* Exact days and times of all matches in Rounds 16-24 will be confirmed at a later date. Bookings can be made before dates and times are confirmed, but you must attend on the fixtured date.
